# WINTER SESSION - 2021 ENRICHMENT CLASSES

## MONDAYS

January 25, February 1, 8, 22, March 1, 8, 15, 22

### **ART IN CULTURE CLUB: Ms. Gioffre, Grades 5-8**

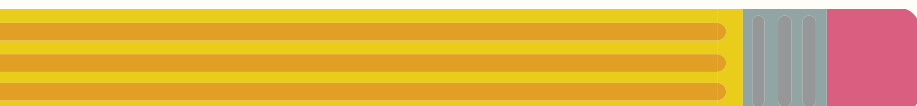

The Art in Culture Club is dedicated to spreading awareness, understanding, and appreciation of culture, people, and diversity. Every week we will study the traditions, values, and contributions of a different country and, through various art projects, recreate some of the world's most notable artifacts. Projects will include the "recreation" of Italy's Sistine Chapel, Japanese 'Sunsu' fans, Mexican Dia de Los Muertos Masks, and Totem Poles inspired by the indigenous people of Canada.

### **DR. SEUSS AUTHOR STUDY: Miss Drab PreK, K, Grades 1-2**

Welcome to the magical world of Dr. Seuss and his fun, creative books of adventure! Each week on Monday, we will read one of his famous books accompanied by a fun-filled activity that will help us learn, grow, and develop our minds in exploring his magical storybooks. Dr. Seuss' characters will come to life virtually as we read together and travel on the path of learning!

### **COME JOIN THE CABERET: Ms. Stone, Grades 5-8**

Broadway or Bust! We will work toward a virtual cabaret with duet or trio performances, recorded on Zoom, producing a video of our performances centered on Broadway show tunes. If you love to perform and you love Broadway, this is the class for you.

## **WEDNESDAYS**

January 27, February 3, 10, 24, March 3, 10, 17, 24

### **CHESS NUTS: Grades 1-8**

Chess Nuts is an outside company which provides students in Grades 1-8 the opportunity to learn the basics of the game and perfect strategies to help them win. Students are grouped according to abilities. The program includes a strategy lesson, playing time and several mini-tournaments. Emphasis is given to improvement of skills, building confidence, self-esteem and sportsmanship. Studies have shown that playing chess increases a child's reading and math levels and improves grades in school, as it increases concentration and strategy skills. You can play this for the rest of your life! Come and join us!

## **THURSDAYS**

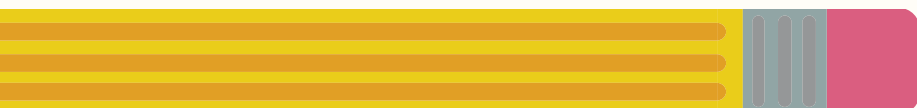

January 28, February 4, 11, 25 March 4, 11, 18, 25

### **SPEECH AND DEBATE: Mrs. Michel, Grades 6-8**

Do you like to share your opinions and want to debate others on issues that matter to you? If you answered yes to this question, then Debate is for you. Using your school iPads, you will be able to research topics and debate other students. This is a great activity that you may want to continue in high school, college, and law school! Feel secure making oral presentations. Learn how to stick up for your beliefs!

### **PIECE OF CAKE - NO BAKE: Mrs. Eisenhuth, Grades 2-5**

No Bake is a piece of cake for these students. We will turn your favorite cookies, candy, and snacks into adorable edible treats. Enjoy them at home to share with your family and friends. No baking required! A list of necessary ingredients will be sent home before the session begins.
